

## BullFrog Roll Top Tankbag

In the pack:

1 x Bullfrog Tankbag

1 x Rolltop waterproof removable liner

1 x Divider

Protective Film

### INSTALLATION AND PACKING TIPS:

The Bullfrog Roll top Tankbag to be used in combination with the GeckoGrip TankBag bases. Refer to the MOLLE/PALS fitment to ensure a correct fitment with the tankbag base.

**Note:** If the straps are too long Cut straps shorter

**1)** Turkana BullFrog Tank Bags are highly water resistant, used with the roll-top waterproof removable inner liner the tankbag is IP67 waterproof. Roll the waterproof liner at least 3 times to ensure 100% waterproofness.

**2)** Roll top fabric 3 times towards you and buckles to each side of the tankbag to close.

**3) NOTE:** Pack moisture sensitive gear in the waterproof liner and remove the tank bag and harness when leaving the bike parked in the rain.

**4)** Do not overstuff or over-load Tank Bag. The challenge should be to pack as little as necessary to be safe, comfortable, and self-sufficient.

**5) NOTE:** Pack any sharp and/or hard items inside an additional protective layer. Vibrations and movement of sharp or hard items riding offroad and dirt roads can damage the waterproof liner.

**6)** Use the divider with the elastic straps and loop to pack and organise, small tools, electronics, pressure gauge, etc. It is also possible to secure a camera bag hook-and-loop dividers from the Bullfrog.

### CARING FOR YOUR BULLFROG TankBags

**1)** Hand washes the tank bag with mild soap, rinse with clean water and air dry. **DO NOT MACHINE WASH OR DRY.**

**2)** Prevent mould, mildew, gut wrenching stench by unpacking wet gear, remove old pastrami sandwiches, then rinsing thoroughly with fresh water and airing dry.

**Disclaimer:** Please note that our products might vary in colour, material & construction from time to time.
